monstertwins:

Our grim blue monster has a twin in this game - it's not sextuplets! But: Who is it? Watch closely and you'll find out. Have fun!

merrymess:

What a mess! But we know you'll help us for sure to organize this again. Try it like this: Follow the lines and try to find out who is connected to whom on this image. Have fun!

FUNNY MAZE!

Our butterfly is eager to visit his friendly flower friends - can you help him finding the right way? Just grab your pencil and show him the way. Have fun!

monster errors:

Here you'll see two identical pictures. Okay, we admit: they are not completely the same... The below one has 7 tiny errors. Can you find them? Have fun!
